G.O., No. 20 I., 6th January 1898.

JANUARY.

Periyar Project

Government of India letter requesting that estimates for both the alternatives referred to by the Chief Engineer for Irrigation, viz., for lowering the level of the escape and for removing the parapet of the main dam, —, may be prepared and submitted in due course, communicated to Superintending Engineer, VI Circle, for early, necessary action.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.

READ—the following paper:—

From O. C. LEES, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Irrigation), to the Joint Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated Calcutta, 28th December 1897, No. 325 I.

I am directed to acknowledge the receipt of your letter, No. 993 I., dated the 10th November 1897, forwarding for information a copy of Proceedings of Madras Government, No. 992 I. of the same date, containing a note by the Chief Engineer for Irrigation on the subject of the Periyár escape.

2. With reference thereto, I am to ask that estimates for both the alternatives referred to in paragraph 9 of the note by the Chief Engineer for Irrigation, viz., for lowering the level of the escape and for removing the parapet of the main dam, Periyár project, may be prepared and submitted in due course for the information of the Government of India.

ORDER—No. 20 I., dated 6th January 1898.

Communicated to the Superintending Engineer, VI Circle, who will prepare and submit as soon as possible the estimates referred to in paragraph 2 of the foregoing letter from the Government of India.

(True Extract.)
